Have you noticed a resemblance between business and a wheelbarrow? The thing that makes both interesting is the possibility of "go" and they both go by man-power. It takes two eyes, two hand, two legs and a lot of push to do anything worth while with either. Neither has a self-starter when the man stops, both will stop.

The people of Roy are paying their taxes very promptly this year upon receipt of their notices.

The conditions have been wonderfully improved from previous years and we hear very little complaint thus far. There are fewer flagrant cases of over assessment and in general there is much less dissatisfaction.

We are glad to be able to record this fact and are always ready to accord credit where it is deserved. If this is one of the results of the airing of conditions last year by the S-A. and there are other reforms to come of it then we shall not worry about the consequences to us personally. It is worth it.

You are hereby notified that the regular annual meeting of the stockholders of the Roy Trust & Savings Bank will be held at its banking office in Roy, on Monday January 4th, 1915, from 10 o'clock A. M. until 4 P. M. The purpose of this meeting will be to elect a Board of Directors for the ensuing year, and for the transaction of such other business as may properly come before the meeting.

C. L. Justice, Cashier.

Anger's Harmful Effect.

Anger, whether expressed in violent language or not, has a most harmful effect on the heart. Through the nervous system it acts on the muscular structure of that organ as well as on that of the arteries, and contracts it. This is always dangerous, as the blood supply is interfered with seriously.

Goose Killed With a Golf Ball.

A day or two ago a well-known member of the Royal Dublin Golf club, while playing on the links at Dollymount, Clontarf, and approaching the sixth hole with a driving mashie, killed a barnacle goose with a golf ball. As the shot was played the bird was swooping and, being struck on the neck, fell to the ground dead.
